

Special Presentation on the
EASTERN WOLF
by **BRENT PATTERSON**

Wednesday, 31 March 2010, 7 PM

Amphitheatre, Guigues Hall
Saint Paul University

The **Eastern Wolf** once occupied a range throughout eastern North America, but is now limited to a narrow strip through Ontario & Quebec, including **Gatineau Park & Algonquin Park**.

Join **CPAWS-OV** for a presentation by wolf biologist **Brent Patterson** to discuss this species of special concern.
